Classic Parade Floats is proud to be the official parade float provider for the Lions Club International Parade in Seattle on July 5th, 2011.

Our extensive stock of float chassis, frames, and props allows us to create any theme or style float you will require. We can also customize your float from an original concept, trademark, or theme idea.

Special discount group pricing with optional payment plans has been arranged on all motorized, towed, and self-propelled floats for this event.

We can also assist with the design and decorating of your existing float frame, rental flatbed, or towed trailer.

Classic Parade Floats provides a complete float service, including design, construction, delivery, and operations.

Total complete discount float packages are available starting at \$4,000.

Call toll-free at 1-877-520-9117.
